ALLIES SCORE VICTORY IN SKY BATTLE OVER PORT MORESBY

REPORT SAYS FOUR PLANES ARE DOWNED

Enemy Repulsed at Approaches of Australia as Jap Cruiser is Damaged by Light Boats

REVERSES IN BURMA

BY ROGER D. GREENE
Associated Press War Editor
Allied sky fighters defending the approaches to Australia were credited officially today with scoring a 4-0 victory over Japanese "zero" planes in a battle over Port Moresby, New Guinea, while U. S. navy torpedo boats were reported to have seriously damaged a Japanese light cruiser in the Philippines.

A bulletin from Gen. Douglas MacArthur's headquarters in Australia said United Nations airmen shot down four Japanese planes without loss to themselves at Port Moresby, and that other Allied fighters set numerous fires among wharves and buildings in an attack on Rabaul, New Britain.

Lieut.-Gen. George H. Brett, U. S. A., chief of the combined air forces in the southwest Pacific, praised the aerial defenders for "doing a hell of a fine job" in hammering potential Japanese invasion bases north of Australia, and he declared:

"Everything is on the up and up in developing Australia as a base for long-range operations."

On the critical Burma war front, British headquarters announced that outnumbered British and Chinese troops, again were forced to retreat under heavy pressure by Japanese invasion columns driving into the earth-scorched Yenangyung oil fields in western Burma.

The latest reversal dampened hopes that the British-Chinese Allies might hold the invaders in a "second Bataan," and indicated that the Japanese were now pouring heavy reinforcements into the campaign before the arrival of the monsoon rains.

On the Allied left flank, other Japanese columns thrusting to— (Turn to Page Seven)

Axis Patents To Be Used To Help Win War

Production Effort Bursts Through New Channels Under Seizure Order

PROCESSES ARE STUDIED

Washington, April 22.—(P)—America's war production effort burst through into new channels today under the impetus of a presidential order seizing all enemy-owned or controlled patents—including German patents on the manufacture of synthetic rubber and fuels.

President Roosevelt announced the seizure order yesterday at a press conference sandwiched in between a series of war councils with representatives of the United Nations.

The announcement, coming in the midst of a congressional investigation of international patent pools, was hailed on capitol hill by members of the investigating committee who said they might broaden proposed legislation to give the government greater control over patents.

Mr. Roosevelt, invoking his wartime emergency powers, said legal and technical obstacles would be brushed aside and the several thousand patents controlled by Axis nations would be explored and developed for whatever use they may be to America at war. (Turn to Page Seven)

Long-Delayed Letter From Guernsey Island

Somerset, April 22.—(P)—Most two years after the Germans occupied the island of Guernsey in the English channel, Fred Nicolle has received a letter from a cousin advising him his 90-year-old mother and other relatives are "safe and well."

Miss Una Poat wrote the letter eight months ago. It was forwarded by the German Red Cross to Geneva, to the American Red Cross in Washington.

Miss Poat asked Nicolle to pass the news on to his other brother in New Zealand.

Officials Hope Housecleaning Will Uncover More Salvage

Aid of Housewives Sought By The State Defense Council

TIN CANS ARE WANTED

Harrisburg, April 22.—(P)—Salvage campaign officials cast a figurative eye on housewives' crowded attics and cellars today and expressed the hope that some of the old materials uncovered in spring housecleaning would find their way into busy war factories, hungry for scrap.

The aid of housewives is being sought by the State Council of Defense, whose advisory salvage committee is directing the collection campaign.

Mrs. Jean Doverspike told the Dauphin County Federation of Women's Clubs that spring housecleaning should produce thousands of dollars worth of salvage metal and rubber.

Bits of old wire, old wash boilers and flat irons, iron and brass bedsteads are among the materials the council wants the state's housewives to contribute, along with newspapers, old clothes, magazines, tools, boilers, sewing machines, furnace and stove parts, toys, pots and pans, tier chains, metal picture frames, wire clothes hangers and auto batteries.

Meanwhile, the advisory salvage committee continued its drive to— (Turn to Page Seven)

German - Held Lands Suffer Lack of Food

BY OVID A. MARTIN
Washington, April 22.—(P)—The agriculture department, in a summary of recent cables on European food developments, told today of increasing difficulties confronting Germany and Nazi-occupied countries in producing and supplying their people with food and fiber crops.

Unoccupied France was said to be facing six breadless weeks because of diversion of grain by the black markets, illegal use of wheat for feeding livestock and poultry, counterfeit ration cards, and failure of farmers to deliver the quantities expected.

The department said reports coming out of Germany indicated that strongest measures were being taken against violators of food— (Turn to Page Seven)

ONE DEAD IN MERCER COUNTY AUTO CRASH

Sharon, April 22.—(P)—Joseph Rusicka, 19, of Sharon, was fatally hurt and three other youths seriously injured today near Sharpsville, Mercer county, when their automobile crashed into three trees.

The injured were Leo Keefe, Joe Horvath, 19, and Michael Durrutty, 23, all of Sharon.

THREE DEAD IN BLAZE IN PITTSBURGH

Two Charwomen and Janitor Lose Lives in Highland Building Fire at East Liberty

ONE DIES IN PLUNGE

Pittsburgh, April 22.—(P)—Two charwomen and a janitor died early today as fire swept the third floor of the Highland building in the business section of East Liberty.

Mrs. Anna Polaski, mother of six children, was killed in a plunge from a ninth floor window, and Mrs. Stephanie Zivic, supervisor of charwomen, and S. V. Johnson, 52, were trapped and suffocated in an elevator.

Police reported Mrs. Polaski could have escaped down the stairway, but apparently had become panic-stricken. Mrs. Zivic and Johnson were caught on the elevator between the fourth and fifth floors when the fire burned the elevator cable. They had taken the elevator upstairs to make certain all of the building employees had escaped.

Four other charwomen fled down the stairway. They were slightly affected by smoke and were taken to a hospital.

Spectators said Mrs. Polaski had stood at the ninth floor window, crying for help. They shouted to her to wait for firemen, but she clung through the window to a ledge, clung there for a second, then leaped. She landed on a section of roof that jutted from the first floor.

The blaze apparently broke out in a dentist's office on the third floor. An employee in a fourth floor office above the dental office said she heard an explosion before the fire started.

Mrs. Anna Armbruster, 28, one of the charwomen who escaped said she was working on the fourth floor when she smelled smoke and gave the alarm.

Chief Edward Kerr estimated damage at \$7,000, but the building renting agent, J. V. Martin, said the loss would be "greater."

Mrs. Zivic, 40-year-old widow mother of two, had been working as a charwoman for six years to support her children and her widowed mother-in-law.

SHIP SUNK AFTER A 12-HOUR SKIRMISH

New Orleans, April 22.—(P)—Sixty-three survivors of a United States merchant vessel torpedoed and sunk April 12 in the Caribbean told here today how their ship played tag for 12 hours with a submarine, trying unsuccessfully to ram it, before the U-boat won.

Thirty-nine survivors, in lifeboats and on rafts, were picked up by a United Nations warship and landed at Jamaica, coming here later on a transport. The other survivors were landed at Haiti.

Air Base Of Tokyo Raiders Undetermined

London, April 22.—(P)—European radio stations, including that at Bern in neutral Switzerland, carried reports that several United States fliers had raided Japan last week and sought afterward to reach bases in Free China, but were forced to make emergency landings and fell in Japanese hands.

The Bern radio, crediting the report to a Japanese spokesman in Tokyo, said only that the fliers were captured after making emergency landings, but did not say where. A Vichy news agency broadcast quoted by Reuters, attributing the account to a Japanese army spokesman in Shanghai, said the U. S. planes came down in Japanese-occupied China, and that the fliers would be taken to Shanghai to meet newspaper correspondents.

New Phase Of Peace Gesture

London, April 22.—(P)—Roundabout dispatches quoting sources in contact with Italy disclosed what may prove a new phase of an Axis peace offensive today.

The News Chronicle's Ankara correspondent said that according to a "Rome diplomatic message" secret negotiations were being undertaken in Italy for a separate peace.

Yesterday the Tokyo radio quoted Toyohiko Kagawa, most famous of Japanese Christian leaders, as saying Japan's Christians were praying "for an early conclusion of the war."

Authoritative diplomatic quarters denied any knowledge of secret negotiations in Italy.

The Ankara dispatch said the exchange of British and Italian— (Turn to Page Seven)

Large Crowd Of Relatives And Friends Gather At The Station For Early Send-off

Favorite Dishes Are Compiled by Experts

Los Angeles, April 22.—(P)—What's your favorite dish? Experts at the National Restaurant Association meeting compiled this list which they declared are America's ten favorites, with ham and eggs, country style, right at the top.

The other nine:

Prime ribs of beef, au jus.
Chickened fried steak and country gravy.
Lobster thermidor.
New England boiled dinner, featuring corned beef and cabbage.
Fried oysters, with cole slaw and tartar sauce.
Baked Virginia ham, with candied sweet potatoes.
Breast of capon, with mushrooms.
Poached filet of sole, marmalade.
Deviled crab au gratin.

Augmented Salvation Army Band Plays Stirring Marches at Farewell

NEW PLAN IS IN EFFECT

Despite the early hour, a large crowd was on hand this morning when 43 Warren county men left for final physical examination and possible induction into the United States armed forces.

The large group, sent by Local Draft Board No. 2, was the first to leave since the return in Pennsylvania to the system of immediate induction for those who pass their final army physical examinations. Previously, the Selective Service men had been permitted to return home for from 10 to 30 days before being called for induction.

On hand to give the county boys a send-off at the Pennsylvania railroad station this morning was the augmented Salvation Army band, which played stirring marches prior to the arrival of the train and during the time it was at the station.

Testaments were presented to the departing men by a representative of the Warren County Ministerial Association.

The men reported at the railroad station at 6:30 o'clock this morning, a half hour before the scheduled departure of the train. They were checked in by their draft board prior to the arrival of the train.

The crowd which was on hand was composed principally of parents and other relatives of the men, a large percentage of whom were from the rural sections of the county.

After receiving their final physical examinations, the men who pass will be sent immediately to a reception center.

The number who left this morning was two less than originally announced. One young man, George P. Tinko, of R. D. Columbus, enlisted in the U. S. Navy just prior to receiving his induction notice, while another, Elmer T. K. Oleson, whose address was listed as 95 Highland avenue, Jamestown, N. Y., had moved to Boston, Mass., and was transferred there for induction.

Those who left this morning for final examination included the following: Vincent F. Sprague, Sheffield; Thaddeus Wawrejko, R. D. 2, Corry; Howard L. Harmon, R. D. 1, Tionesta; John R. Tompsett, Tidoute; Laverne C. Carlson, R. D. 1, Youngstown; Edwin B. Smith, North Warren; Charles M. Osborne, Grand Valley; Albert H. Foy, North Warren; Carl G. Nelson, Sheffield; John Fidoris, Jr., Jamestown, N. Y.; James A. Hunt, R. D. 4, Spangsbury; Donald K. Johnston, Clarence, N. Y.; George R. McClelland, R. D. 2, Tidoute; Victor G. Landers, North Warren; Gurth Muntz, R. D. 3, Spangsbury; Enoch M. Danuskie, Warren; Robert B. Traub, Pleasant township; Sergius L. Firth, R. (Turn to Page Three)

Number Fires In Forests Of This District

Burning of Brush Discouraged in Area Until After A Soaking Rain

CAUTION IS ADVISED

Five forest fires, three of them in the vicinity of Warren, were reported yesterday in the Compiant District but fortunately no serious damage resulted, according to William H. Smith, district forester for the Department of Forests and Waters.

However, another fire, outside of the local district, encircled two oil wells on the Morrison and Dunkle oil lease a short distance west of Kane, covering approximately 75 acres before it was brought under control by 60 fire fighters from Kane fire department equipment.

This fire was said to have been caused by sparks from a passing railroad train.

In this vicinity, one blaze which covered about three acres was reported near Picnic Run. This fire was extinguished by Inspector J. S. Pees, Warden George Eberhardt and several leasemen.

A small fire starting from brush burning on the Mack farm, Jackson avenue extension, was extinguished by District Forester Smith and Warden Eberhardt with the help of residents in the vicinity after it had covered about one-third of an acre.

The third fire in this immediate vicinity occurred along the Jackson Run road, about a mile from North Warren, burned over about three acres. This fire was finally brought under control with the help of residents in the vicinity by Game Protectors George Norris and John Hopkins and Warden Jones and crew from Russell.

District Forester Smith said today that all brush burners should refrain burning any brush or debris until there is a good soaking rain.

If any burning is done, he said, those planning it should notify the district forester's office, Warren 1271, during the day or his residence, Warren 821, after 5 p. m.

Everyone using the woods should be very careful to help avoid fires, he declared, pointing out that "forest defense is national defense."

Score Of Bills Are Unsigned

Harrisburg, April 22.—(P)—More than a dozen bills passed by the recent special legislature have been signed into law by Governor James but nearly twice that many still remain for his consideration.

The legislature adjourned April 11, and James has 30 days after that time to sign or veto new measures. If he fails to act within that period they become law.

Topping the list of new laws are statutes fixing a \$10,000 fine and up to 10 years in jail for sabotage at defense plants or intentionally defective workmanship on war orders and giving the state defense council power to enforce its regulations governing air raids and blackouts.

Another war law allowed the loading of explosives in vessels on the Delaware river.

Five Gallons of Gas a Week Rationing Plan

Washington, April 22.—(P)—Informed government officials said today a plan for rationing gasoline on the eastern seaboard would be announced soon, to become effective some time in May and allowing each motorist "around five gallons a week."

Details of the plan were withheld, but an OPA spokesman predicted the cut in gasoline supplies would be "drastic."

Smouldering Fires of Revolt Against Nazis Are Spreading

By the Associated Press
German authorities in Paris announced the execution of more French hostages today, even as France's Vichy regime was reported seeking a reprieve for 20 hostages held under death sentence at St. Nazaire, where townspeople aided British commandos in their spectacular raid on that Nazi-occupied base, March 28.

The Paris announcement said the victims, described as Communists, Jews and accomplices, were shot in reprisal for alleged assassination attempts against German soldiers on April 2, 8 and 20.

Smouldering fires of revolt against the Nazi conquerors were reflected again as German authorities in Paris clamped a 11 p. m. curfew and ordered all public places closed in the occupied capital until 5 a. m. Friday.

The Germans said these measures were taken in reprisal for the assassination of a German soldier in Paris Monday night.

ATTACKS ON PANAY ARE INCREASING

American - Filipino Troops Are Forced to Withdraw From Town of Lambunao

BAY FORTS ARE SHELLED

Washington, April 22.—(P)—The war department reported today that increasingly heavy Japanese attacks on the island of Panay had forced the American-Filipino troops to withdraw from Lambunao, a town in the interior where the enemy drive had been held up for a time by fierce resistance.

In Antique, the west coast province of Panay, enemy troops from San Jose are attacking defense positions near San Reiglo and Valderama, a commune said. Indications that the enemy intends to extend its attacks on the central group of Philippine islands were seen in a report that the Japanese were making an air reconnaissance of Negros, which lies between Panay and Cebu.

Enemy attacks on the Manila Bay harbor ports yesterday were limited, the commune said, to a few dive bomber raids on Fort Hughes and Fort Drum. There was no report on casualties or damage.

Lieut. John D. Bulkeley's PT-41 is hiding somewhere in the thousands of miles of straits, islands and secret, jungle-veined anchorages of the Philippine archipelago, anxious to fight cruisers and destroyers, or whole fleets of them. (Turn to Page Seven)

FORMER BUTLER CO. PUBLISHER IS DEAD

Butler, April 22.—(P)—Alfred M. Christley, 52, for years prominent in Republican politics and for a time publisher of the old "Daily Citizen" here, died yesterday at his home.

Christley served as Butler county district attorney from 1896-1900, as county Republican chairman, as delegate to the 1908 national Republican convention and in 1912 as presidential elector. He was elected to the state senate in 1920 for a full term.

He helped organize and was the first president of the Butler Chamber of Commerce. In 1905, with a brother, L. E. Christley, he purchased the Butler "Citizen" from William C. Negley and next year began publication of the "Daily Citizen."

PLANT RESUMES

Pittsburgh, April 22.—(P)—The Spang - Chalfant division of National Supply Company in suburban Erie resumed operations last night after company and union officials in a joint statement announced acceptance of "satisfactory" terms ending a two-day strike. Preparations Being Made To Register Sugar Wholesalers

Local Woman Sends Interesting Letter From Pacific Coast

A newsworthy letter received from Mrs. F. F. Field, West Fifth avenue, who is in San Bernardino, Calif., because of the continued serious illness of her sister, will be of interest to many friends in this section.

Mrs. Field writes that she happened to be in Los Angeles on the day of the annual "Pennsylvania" picnic and drove out to Sycamore Park with the expectation of seeing a few familiar faces. She found Warren county represented by only one person. Mrs. Clara Howe, formerly of Warren, Mrs. Janet spoke to her of the passing of Miss Mary Olive King, former social editor of the Times-Mirror and familiar figure in Warren, and stressed how much her enthusiasm and help had meant in making the day a success in the past.

The writer had also visited but recently with two other former Warren residents, Miss Edith McCalmont and sister, Mrs. Janet Lott, together with the latter's son, George Lott.

Mrs. Field's daughter, Miss Jeanne, is reported devoting much of her time to USO work in that vicinity, having a large class of soldiers for instruction in ballroom dancing.

Three local cadets, "Sherry" Miller, Emerson Banard Jack, Cogswell are said by Mrs. Field to be only a short distance from San Bernardino and the Field family plans to get in touch with them.

Preparations are being completed by school authorities and local rationing boards for the registration of all trade outlets which sell or use sugar on an industrial basis, to be held in high schools of the county next Tuesday and Wednesday, April 28 and 29.

The trade outlets to be registered, as announced previously, are all retailers, wholesalers, institutional and industrial users.

Trade outlets, it was pointed out today, also include persons who operate small businesses in their own homes, such as baking of bread, pies, cookies, etc., for sale to retailers, and the making of candy in the home for sale.

In Warren borough, registration will be on April 28 and 29 after school and in the evening at the high school. Those registering here may register during the day by appointment. Those desiring appointments have been requested by Superintendent John G. Rossman to mail the high school on Friday, April 24, or the morning of Saturday, April 25.

Much information is required at the time of registration and it has been requested that prospective registrants have this ready when they go to the high school, in order to facilitate the work.

Retailers who register will be required to give gross sales of all meats, groceries, fruits, vegetables, etc., for the week ending April 25, 1942; amount of sugar delivered to and accepted by the retailer during the month of November, 1941, and the present inventory (number of pounds of sugar owned by the retailer at the time of registering.)

Wholesalers must tell which of the following quantities: 2500 pounds, 5000 pounds, 10,000 pounds, 20,000 pounds, 40,000 pounds, 60,000 pounds or 80,000 pounds, most nearly approximates the shipping unit by which the wholesaler customarily took delivery of sugar on or about December 1, 1941. He must also give the quantity of sugar delivered to and accepted by the wholesaler during the present inventory.

Institutional and industrial users of sugar must give the number of pounds used each month during 1941 for meals or food services, bread and other bakery products; cereal products, batters and mixes; confectionery, candy, chocolate, chewing gum, cocoa; ice cream, ices, sherbets and frozen custards; other dairy products; condensed milk, cheese, etc.; preserves, jams, jellies and fruit butters; production of bottled beverages, flavoring extracts and syrups; specialties such as desserts, puddings, drink mixes, pickles, table syrups, mince meat, catsup, chili sauce, salad dressing, soups and tomato sauces; and non-food products such as drugs and medicines, soaps, tobacco, insecticides, adhesives and leather.

These users must also give the estimated amount of sugar required to June 30, 1942, for each of the following uses: Canning fruits, vegetables or juices; freezing fruits, curing or canning of meats, fish or poultry, and for feeding bees.

Finally, the institutional and industrial users must give the number of pounds owned by the firm making application.

Those eligible to register for trade outlets include the owner, manager, a partner or a responsible officer of the firm.

Hours for the registration have been set from 2 to 6 p. m. on Thursday and Friday, and all day on Saturday.

It has been suggested by the police department that the school children living in the area of Conewango avenue and Pennsylvania avenue, east, wait until Saturday to obtain their licenses. This will relieve the congestion and unnecessary waiting for the bicycle owner.

The license fee is 25 cents.

Local friends of William Muir, who celebrated his 91st birthday recently, will be interested in the following item from the "Evening Independent" at St. Petersburg, where he spends his winters:

William Muir, Warren, Pa., and St. Petersburg was entertained at a beautifully appointed dinner party in celebration of his 91st birthday recently. The dinner party was held in the dining room of the Princes Martha hotel with Mr. and Mrs. Arthur L. Manning as host and hostess.

The table was attractive with a crystal bowl of yellow and white snapdragons and tall white tapers. The ladies were presented with white carnation corsages and the gentlemen were each given a white rosebud. Carrying out the color scheme were dainty yellow and white shell plate cards, and the large three-tiered yellow and white birthday cake.

Mr. and Mrs. Manning invited the following friends to help celebrate Mr. Muir's birthday: Howard Alexander, Mrs. Leah Muir Donley, Miss Eva L. Pelton, Chapin Reese, N. D. Patterson, all of Warren; Mr. and Mrs. George Muir, Mr. and Mrs. James R. Bussey, Mrs. T. A. Chancellor, and Mrs. Anne Hildebrand.

Prepare For Registration On April 27

Members of the two local Selective Service boards are going forward with plans for the fourth registration, to be held next Monday, April 27, for all men between the ages of 45 and 65. Registration hours will be from 7 a. m. to 9 p. m.

Schools of the county will be closed for registration day and school officials are cooperating by giving the facilities of their buildings for the enrollment.

Both draft boards are preparing lists of places where the men will register. These will be announced within a day or two.

It was pointed out yesterday at Harrisburg by Col. E. F. Evans, acting director of Selective Service, that men who enroll on April 27 should give their legal, permanent home address on the second line of the registration card.

Evans pointed out that the address determines the local board which forever will have jurisdiction over the registrant and emphasized that it is to the registrant's advantage to be registered with a local board near his home. In cases where a registrant has a permanent home, but finds it more convenient to receive mail from the local board at a temporary address, he may furnish the temporary address on the third line of the registration card and communications from the local board will be sent to that address.

Cars May Be Sold To Men In War Jobs

Workers in war jobs may be able to get new cars within a week or ten days, according to an Associated Press dispatch from Philadelphia.

Dr. Rolf Nugent, chief of the automobile rationing of the Office of Price Administration, told the Pennsylvania Automobile Association that regulations will be relaxed "if for no other reason than that defense workers need them for transportation. We could lose this war by failure to get defense workers to their jobs."

Distribution of cars under the present set-up has come up to only 40 per cent of the quota, Nugent said. He also told the dealers they could expect financial relief, probably through the Reconstruction Finance Corporation, to ease the burden of carrying frozen stocks of automobiles.

Changing Over Name Of Savings Bonds

Hereafter the official name for United States Savings Bonds, which have been designated Defense Savings Bonds, will be instead United States War Savings Bonds, and the Series "E" accumulating bond will be continued under the same designation of Series "E".

The change-over to War bonds will not be made on a designated day, but will take place gradually. The bonds which have been issued in the past as Defense bonds will not be sent in for exchange, and in order to conserve paper and avoid any waste, it is planned to continue the issuance of Defense bonds until the present supply has been entirely used. As soon as the new name is in use the banks, post office, and other agencies where bonds can be obtained will receive them in the new form, but it is possible that this will not be before July 1st. This information is received from the Federal Reserve Bank of Cleveland, with the request that it be passed to everyone concerned with the sale or purchase of War Savings bonds.

Sacred Recital Is Credit To Students Of the Conservatory

The two-piano adaptation of Bach's chorale "Sleepers Awake," played with sonority and dignity by Eleanor Klinefelter and Meredith Young, gave the keynote for the whole program of sacred music arranged by Eugene Kuester at the Conservatory Tuesday night, and was additional proof of the splendid progress made by the students.

In numbers by Bach and Handel, Joyce Ramsdell, Constance Dey and Martha Hultberg gave an excellent account of themselves. The feature of the program was excerpts from Gault's "The Holy City," with solos by Margaret Drivas, Ruth Satterlund Harold Knappeberger and Ruth Lindquist; a duet by Margaret Drivas and Ruth Lindquist; and "At Eventide It Shall Be Light," sung unaccompanied by Mary Ann Lundmark, Joyce Ramsdell, Bonnie Johnson, Gloria Hausman and Joyce Ramsdell. The work was given with the due attention demanded by its theme and character.

Edith Haines Kuester's artistic accompaniments were an attractive feature of a program that was a distinct credit to the Conservatory.

B. P. W. Members To Attend Meeting Of District on Saturday

At the postponed April meeting of the Warren Business and Professional Women's Club, held last evening at the Y. W. C. A., with a good attendance of members, plans were made for attending the district meeting at Union City on Saturday of this week. Plans also were discussed for the local club's own birthday party on June 15, with the program and executive committee in charge.

Members discussed the May Day breakfast to be held on Sunday, May 3, and Martha Fuhrer was named chairman to make plans for this event. The membership report sent to national headquarters showed an increase from 20 to 35 for the past year. A number of other matters were discussed. The remainder of the evening was devoted to games, with prizes going to the winners. Refreshments were served from a table centered with lovely spring flowers and candles.

Social Events

SHOWER IN HONOR OF GENEVIEVE LAGERBLAD

A delightful shower was given last night by Mrs. Alfred Mullaup, at her home, Pennsylvania avenue, east, honoring Miss Genevieve Lagerblad, West street, who will become the bride of William Brader this city. Games were played with prizes going to Miss Marcia Baxter and the honored guest.

Refreshments were served at a late hour and gifts were presented Miss Lagerblad.

ENTERTAIN FOR BRIDE-TO-BE

Girls of the Pennsylvania Electric Company office entertained last evening at a dinner at the Carver Hotel in honor of Miss Virginia Peterson, who is to be a bride of this week. The honored guest was presented a gift from the following: Rachel Brian, Isabel Corbman, Doris Dille, Mary Lind, Jane Loree, Nan Mullen, Olive Phillips and Aldean Rossman.

MARRIED COUPLES PLAN MEETING

The Married Couples Club of the First Presbyterian church will meet Thursday evening at eight o'clock in the church parlors. The program will feature an old-time melodrama and the entire setting will be in the nature of an old-fashioned moving picture theatre. Refreshments will be served following the meeting.

ENTERTAINS FOR RECENT BRIDE

Miss Geraldine Erickson, 15 Franklin street, entertained at a miscellaneous shower at her home last evening in honor of Mrs. Fred G. Gebhardt, formerly Miss Mary Jo Hogan, a recent bride. Games were played and at midnight a luncheon was served at a table attractively decorated in blue and yellow and centered with a beautiful bouquet of daffodils.

V. F. W. AUXILIARY

The Ladies' Auxiliary, Veterans of Foreign Wars, will meet at the post rooms at 8 p. m. Thursday for initiation of a class of candidates and installation of officers, followed by refreshments served by the committee. Officers are requested to wear their uniforms.

In the mixed pairs duplicate contract bridge game, played last evening at the Marconi Club, first place was taken by Mrs. F. A. Weigel and Henry Hunzinger, Mrs. William Mulvey and George Kline were second, with Mr. and Mrs. H. R. McClure third.

ENTERTAINS AT LUNCHEON

Miss Kate Winger entertained at a luncheon at the Woman's Club on Monday in honor of Mrs. George Warren, of Swarthmore, who is the guest of her son, Dr. Harold C. Warren, and Mrs. Warren.

SIGMA TAU DELTA

The Sigma Tau Delta Sorority meeting will be held at the home of Mary Ann Lundmark, 102 Quaker road, at eight o'clock this evening.

COMING AND GOING

Mr. and Mrs. W. J. Reese have returned from Ridgway, where they spent a few days with the latter's daughter, Mrs. James F. Kennedy.

Miss Helen Carlson, 830 West Fifth avenue, is home after spending the past two weeks in Tuscon, Ariz. She was the guest of Mrs. Jay McCausland, the former Dorothy Miller of Warren.

Mrs. Paul F. Berg expects to leave the end of this week for her home in Waterbury, Conn., after a visit with her parents, Mr. and Mrs. J. H. Goldstein, Conewago avenue.

Mrs. William Tunall, of Buffalo, is visiting at the home of her parents, Mr. and Mrs. John Dickinson, Wayne street.

Mr. and Mrs. H. A. Logan arrived home this morning after a several weeks' stay in Miami, Florida.

Grange Notes

DIAMOND GRANGE

Diamond Grange held a tureen supper at Tiona on Tuesday evening at 6:30 o'clock. Forty were in attendance at the meeting which followed. It was announced that at the next meeting on May 5 there will be initiation of candidates with the Brokenstraw Grange degree team in charge. Mr. VanOrsdale, of Akeley Grange, master of the Seventh Degree Association of Warren county, was present and gave a short talk. Following the meeting a spelling bee was held, with Mrs. Brownell taking first place, Miss Rupprecht second and Merle Schweitzer third.

Trincomalee, Ceylon, is little more than a village, but it contains one of the six greatest natural harbors in the world.

More industries are making further progress with pay roll allotment plan, and some are asking for minute man flags.

All post wardens are asked to complete their work as soon as possible and turn in their envelopes to senior post wardens, who will then give them to their sector wardens, or bring them directly to Room 201 Warren National Bank, on Thursday, Friday or Saturday.

The rural sections of both Warren and Forest counties are carrying on the work as well as those in town, and even though it may take a little longer their reports will soon be in.

Eight envelopes with completed pledge books received early this forenoon from senior post warden at Russell.

Teachers Of Boro Enjoy Unique Party

The Warren Borough Teachers' Association enjoyed the last social event of the year in the form of an "educators' party" at Beaty Gym Monday evening. Miss Mae Moran, acting principal of the Podunk High School, introduced the "students" to the class schedule.

They were permitted to select their own courses, which consisted of bingo, anagrams, shuffleboard, bridge, dominoes, Chinese checkers, rook and music. Instructors were Gracey Jolley, Marjorie Lloyd, Elizabeth Eby, Frances Grosch, Mabel Siggins, J. E. Leidig, Robert Jewell and Carroll Fowler. Those who did very well scholastically were given special commendation by the principal and awarded war savings stamps.

An assembly program under the direction of Harry Summers provided very entertaining group singing was rigidly taught by the instructor, Miss Anna Louise Kahl, in her usual fine manner, gave several fine readings and James E. Springer pleased with a group of songs. A "truth and consequence" feature which closed the assembly caused much merriment.

A special course in home economics was offered each student. A demonstration proved that teachers and students alike appreciated the delicious refreshments served.

Officers Of Irvinedale Unit Named

At the April meeting of the Irvinedale Parent-Teacher Association, held last evening at the school, Howard Landers was elected president for the coming year and other officers were named as follows: Clifton Larson, first vice president; Merle Schweitzer, second vice president; Sam Lannen, secretary; and Mrs. John Carlson, treasurer.

George Johnson, the retiring president, conducted the business session, following the opening of the meeting by Mrs. Frank Smith. The nominating committee's report was presented by Archie Hunter.

D. L. McGuire announced the farm bureau salvage program. Mrs. Frank Smith announced that the annual talent night festival will be held at the school on Tuesday, April 28. J. S. Pees presented the finance report and announced a dance for Friday evening, May 1.

Mrs. Lillian Hunter explained the traveling basket plan and also displayed a Girl Scout afghan, recently completed. The room attendance award was won by Retha Larson's room.

The program featured a play by Beaty school students, "Does Ellsworth Bunton Win Again?" It was written by Marcia Johnson, who also took part, together with John Farrell, James Krespan, Jack Hamilton, Joyce Dorrance and Jean Colley.

Refreshments were served by men of the organization.

PARAGRAPHS ON PLEDGE CAMPAIGN

First pledge book was handed in Tuesday forenoon by Thomas H. Conway, followed within another hour by that of George M. Cobb, both air raid wardens in the third ward. 26 signed pledges in these two books.

Reports from North Warren show that the air raid wardens are busy there and expect to have completed report by Friday.

Takes some time for interviews. One warden reported two hours spent in making four interviews, but well worth while because of opportunity to visit about several matters.

Report from Marienville, where members of Rotary Club have been doing the work, says that their job is completed and signed pledges are being mailed today to committee headquarters.

Tionesta, in Forest county, telephoned that their work is nearly done and signed pledges will be sent to committee headquarters by Friday.

More industries are making further progress with pay roll allotment plan, and some are asking for minute man flags.

All post wardens are asked to complete their work as soon as possible and turn in their envelopes to senior post wardens, who will then give them to their sector wardens, or bring them directly to Room 201 Warren National Bank, on Thursday, Friday or Saturday.

OBITUARY

RACHEL M. SANDROCK

Mrs. Rachel Mealy Sandrock, who has been confined to bed since before Thanksgiving, 1941, passed on this morning at nine o'clock at the home of her daughter, Mrs. Alfred J. Dahlstrom, 7 Willey street. She suffered a fractured hip in a fall on the day before Thanksgiving. She spent 12 weeks in the Warren General Hospital and for the past ten weeks has been at the home of her daughter.

Besides the daughter at whose home she resided, she leaves a daughter, Mrs. George T. Hoot, of Chelsea, Okla.; four grandchildren, Russell D. Hoot and Loren Hoot, of Tulsa, Okla., Robert Sandrock, of Warren, and Mrs. Nelson Sawyer, of Jacksonville, Fla., and one great-grandchild, Evelyn Ann Hoot, of Tulsa.

Mrs. Sandrock was born in Forest county, July 18, 1859, but had resided here for many years. She was very highly respected by all who knew her. She had been a member of the Methodist church since childhood and for the past 37 years was a member of Epworth church here. She was also a member of the Women's society for Christian Service and the Fidelity Class of the church and was always very active in their work.

Removal was made to the Peterson Funeral Home, where services in her memory will be held Saturday afternoon at 3:30 o'clock. The Rev. M. I. Harding will officiate and interment will be in Oakland cemetery.

BENJAMIN L. BEGLER

Benjamin L. Begler, of 932 Stone avenue, died at the Warren General Hospital yesterday afternoon at two o'clock, aged 83 years. He was born March 30, 1859, at Irvington, Crawford county. For many years he was employed by the Warren Veneer and Panel Company, retiring about ten years ago. He is survived by his wife, Sophia; one son, Harry L. Begler, of Jamestown, N. Y.; one sister, Mrs. Kate Lampe, of Warren; several grandchildren and great-grandchildren.

Removal was made to the Lutz Funeral Home, where friends may call until Thursday noon. Private funeral services will be held there at 2:30 p. m. Thursday, with interment in Oakland cemetery.

MRS. NELLIE GALLAGHER

Mrs. Nellie Gallagher, of 634 Beech street, passed away Tuesday morning at 9:30 o'clock after lingering illness. She had been a resident here for 38 years.

She is survived by one son, Charles Gallagher, at home; three daughters, Mrs. Mary Hogan, of Red Hook, N. Y.; Mrs. Jane Baker, of Warren, and Mrs. Josephine Aberg, of Albany, N. Y.; one sister, Mrs. Mary Miller, of Titusville, and four grandchildren. Her husband, Cornelius H. Gallagher, preceded her in death 13 years ago.

Friends may call at the home at any time. A solemn mass in her memory will be sung Friday morning at ten o'clock at St. Joseph's church. Interment will be in St. Joseph's cemetery.

Save Precious Vitamins and Minerals With Modern Gas Cooking!

How to Save Vitamins—Cook vegetables in a vessel with close-fitting lid; cover bottom of vessel with one-half to one inch of boiling salted water. The flexible Gas flame will give you exact heat.

Cook vegetables over full flame until boiling. Reduce flame to simmer and cook until vegetables are tender. Serve promptly.

How to Save Food—Roast meat at low temperature in your Gas oven to reduce shrinkage. Use any remaining vegetable liquids in soups, gravies, sauces, or cold in tomato juice. Plan one casserole dish a week to use left-overs.

How to Save Fuel—Remember, Gas is fast. It takes but a few minutes to bring an oven or a broiler up to temperature. Plan complete oven and broiler meals, to make full use of Gas. Place your pan on the burner before you turn on the gas. Don't drown your vegetables; a cup of water will heat more quickly than a quart.

"Food"—says Claude R. Wickard, Secretary of Agriculture—"is a whole arsenal of weapons in this struggle for human freedom... the driving force behind high production by munitions workers and top-notch performance and strong morale among soldiers and sailors."

Because food is so important, adequate nutrition must be maintained in our homes in order that we may have victory.

Good nutrition can be aided materially by modern Gas cooking, which helps you save the vitamins and minerals you pay for—and get them to the table.

The health of your family counts today more than ever. See to it that you do everything possible to keep in foods the precious elements they contain when they reach your kitchen. Learn how to use modern Gas cooking to accomplish this.

Buy food carefully. Refrigerate promptly. Cook it properly... Waste nothing!

In these days—when meal-planning, cooking methods and food economy are so important in keeping America strong—your Gas Companies consider it a real privilege to support our Government's National Nutrition Program.

Crash Fatal To Endeavor Native Today

Marvin Wayne Alcock, 41, of Titusville, a former Endeavor resident, was fatally injured about 1:30 o'clock this morning when a car in which he was riding left the Titusville-Pleasantville road, near the Fieldmore Hotel, and crashed into a tree.

James C. Longstreth, of R. D. 1, Titusville, believed to be the driver of the car, was sent to the Titusville City Hospital with head and shoulder injuries, but his condition was not believed serious.

The machine in which the men were riding left the highway about 200 feet east of the hotel, traveled a short distance along the ditch, hurtled an eight-foot ravine, plowed through a cinder pile and struck the tree.

Both men were rushed to the hospital in an ambulance, but Alcock was found to be dead upon arrival, having died enroute. He suffered a fractured skull and broken neck, according to Dr. C. M. Sonne, deputy coroner of Crawford county.

One of the first to bring word of the accident to Titusville was Don Miller, district game warden, who notified state motor police in Franklin. Deputy Coroner Sonne was notified by hospital officials.

Alcock, who was unmarried, was the son of Mrs. Jack Arters, of Endeavor, where he was born, December 18, 1900.

Removal was made to the Sage Funeral Home in Tidout. Plans for the funeral have not been completed.

POLL SETS WAR CODE FOR KIDDIES

Announcement of plans for the local observance of
the seventh annual National Youth Week May 4 to 9,
recalls that a code of wartime conduct is being issued
to 20,000 youngsters in schools, Y. M. C. A.'s and Sun-
day schools on the list of the Reed Poll for children.

The code was formulated by J. Edgar Hoover, di-
rector of the Federal Bureau of Investigation, and Wil-
liam Reed, Chicago candy manufacturer, and originator
of the child poll, designed to determine the tastes and
opinions of modern American youngsters between the
ages of eight and thirteen.

The 20,000 key children are to be monitors to in-
fluence thinking and actions of other children all over
the country.

Among the wartime rules for children which
Hoover has requested the Reed Poll to impress are:

Don't be discourteous to those with foreign names—they
may be as patriotic as you are.

Help conserve our nation's resources. By collecting news-
papers and metal or performing similar tasks you will be aiding
in national defense.

Respect the rights of others—crime does not pay and has
only tragic consequences.

Through education prepare well for the future—tomorrow
you will be called upon to lead the nation.

Keep confidential any important wartime information you
may hear—the enemy may be listening.

If you learn of acts possibly harmful to the war effort,
report them to your parents so that they can be passed on to
the FBI, the national clearing-house in all matters pertaining
to sabotage, espionage and other violations of our national de-
fense laws.

HELP PROTECT FORESTS

That story last week about a devastating fire on
South Mountain near Gettysburg, when over 2,000 acres
of timberland burned black emphasizes the extreme
care that is needed by all persons entering the woods,
to avert such a disaster in this vicinity.

While incendiaries are blamed for the above-men-
tioned fire, it is interesting to note that only two out
of very thousand forest fires in Pennsylvania are caused
by lighting. Railroads, campers, brush burners, hunters,
fishermen and transients cause practically all of the
fires. The number of incendiary fires is not more than
nine per cent of the total.

Secretary G. Albert Stewart, of the Department of
Forests and Waters, has made a direct appeal to the
presidents of all railroads operating in Pennsylvania,
requesting them to have a thorough inspection made
of their locomotives so that the throwing of sparks
may be reduced to a minimum. He also called attention
to the fact that rights-of-way should be cleared of all
inflammable debris and that safety strips be constructed
adjacent to the tracks, in such places as are in danger of
fires.

Secretary Stewart has made a similar appeal to
sportsmen of Pennsylvania. Forests as well as fields
are necessary for game. Fish life is best in streams
running through forests untouched by fire. Warren
county hunters and fishermen can best protect their
interests by joining in the protection of forests from fire.

Pennsylvania is facing a serious situation this spring
as its protection organization is losing many men to
the armed forces of the nation and to defense industries.
Yesterday's news from Gettysburg is a warning that the
state may suffer the most disastrous forest fire experi-
enced in history unless every individual lends a helping
hand.

ANOTHER GROUP GOES

Another group of future soldiers of America left
Warren in the cold, gray dawn this morning, including
in the list quite a number from this community.

These soldiers, like the ones preceding them, are
bent on a mission that means the restoration of liberty
to the conquered nations of Europe and the Pacific, as
well as preservation of that same liberty here at home.

Mothers, fathers, sisters, brothers, friends and
sweethearts find it a heart-heavy task to see these boys
leave for military duty, a necessity imposed on them
because men in other parts of the world, drunk with
power and eyeing this nation with lustful eyes, have made
it necessary for America to defend her own integrity.

The Salvation Army band certainly pepped up that
leave-taking this morning!

WASHINGTON IN WARTIME

By JACK STINNETT

WASHINGTON—Robert H.
Hinckley is tackling the big-
gest air-conditioning job in his-
tory.

He wants to "air-condition" the
whole country. Last that raise a
picture of a vast island dome
stretching from Seattle to Miami
and Boston to San Diego, with
filters going full blast day and
night, let me hasten to make clear
what Hinckley means.

Hinckley is assistant secretary
of commerce for air. To him it's
not enough that America be "air-
minded."

"THIS and succeeding genera-
tions," he explains, "must be-
come what I call 'air-conditioned'
if the United States is to be a na-
tion on wings, which it is surely
going to be."

"When I say air-conditioned I
mean that we must become condi-
tioned to the air and the ma-
chines of the air in just the same
way that we are conditioned to
the ground and the machines of
the ground."

"Today we pilot an automobile
along the ground as easily as we
walk, with as little conscious
thought or effort. We must learn
to pilot an airplane through the
air with the same sure, almost
automatic responses."

The announcement that aca-
demies is to be taught in the na-
tion's high schools was a big slap
on the back for genial, bald-
headed Bob Hinckley. The Civil
Aeronautics Administration, un-
der Hinckley, and the Office of

Education, backed by the Army
and Navy, are diving into plans
that they hope will let this coun-
try catch up with Nazi Germany,
where such training was begun
back in the middle '30s.

Hitler Youth were building
model planes in the primary
schools in those days, and older
boys were skimming the land-
scape in gliders and sailplanes. A
few years later they were dive-
bombing London and Crete.

CAA launched a test program
involving 317 students in 13 col-
leges and universities in 1939.
After France fell Congress au-
thorized a great expansion of this
program.

"All told," Hinckley proudly
declares, "we've taught almost
75,000 young Americans to fly.
Some 15,000 of them are now fly-
ing for the Army and Navy."

THE training program is cen-
tered entirely on the war ef-
fort now. Some 45,000 students
are to be put through the ele-
mentary flying course each year,
along with 31,000 mechanics.

But to Hinckley that's still not
enough. He's waiting for the day
when young Americans will start
aviation education in high school
—perhaps even in the lower
grades. Not just because of the
need for military pilots, either.
Hinckley is looking farther than
that—to the day when America
will be "air-conditioned."

"The world is changing under
the influence of the airplane," he
tells you. "Every student, whether
boy or girl, should know the
why and wherefore."

MAN ABOUT MANHATTAN

By GEORGE TUCKER

NEW YORK—It does seem at
times that actors, especially
good actors, should never be per-
mitted to choose their own plays.

You get this impression after
an evening at the Guild, where
Mr. Paul Muni, who is a very
very good actor, appears in a
drama called "Yesterday's Magic."
"Yesterday's Magic," and you
would have to be dull not to have
guessed it by this time—is the
story of a has-been of the theater
who strives unsuccessfully to
stage a come-back.

It has been my observation that
has-beens of the theater in real
life who let their prestige and
their pride go glimmering down
the drain do not come back, but
then on the stage it is different
and the success of the come-back
depends entirely on the play-
wright.

IN THIS instance the playwright
is Mr. Emyln Williams, and he
seems to have wasted his own as
well as Mr. Muni's time. That is
my opinion.

But if "Yesterday's Magic" is
something of a disappointment, it
does serve to recall a brilliant
episode in the theater that took
place one night about nine years
ago. This was "Dinner at Eight,"
and what a first night that was.
This George Kauffman drama
dealt similarly with a has-been
who tried to come back and who,
too, in the end, took his own life
because he could not face the
realities of a world that had lain
unspicquously outside his ego all
those years.

In that cast was a young,

honey-haired ingenue from Vir-
ginia who played the role of the
dowager's daughter who fell in
love with the aging actor. She
went on to Hollywood, and she
know her today as Margaret Sul-
lavan.

The man who played the come-
back actor in that drama was
Conway Tearle, who was con-
cerned with something more
than make-believe at the time.
He too was in real life trying for
a come-back. His try, tempora-
rily, was a great success. His act-
ing received the best possible no-
tices, and, while the play lingered
on Broadway, Tearle was as close
to being a real star as he had ever
been.

YOU know, of course, that
Tearle died shortly after this,
and I mention this point because
of an odd coincidence in casting
that has taken place in recent
weeks. Before "Yesterday's
Magic" came to New York it was
played in London, and the man
who played the has-been actor's
role there—the one Muni now
plays—was Conway Tearle's half-
brother, Godfrey Tearle.

You know, too, that from
Broadway "Dinner at Eight" went
to the movies, and that John
Barrymore—in an extraordinarily
shrewd piece of casting—was
given the has-been role. Jawn
was magnificent. Two actresses,
enormously successful but now
dead, were with Barrymore in
"Dinner at Eight." Remember?
They were Jean Harlow, the plat-
inum blonde, and Marie Dressler,
Polly Moran's pal and the Tug-
boat Annie of happier days.

Interesting Items Taken From
the Warren Evening Times

In 1922

A capacity audience greeted the
first performance of "Miss Bob
White," presented last night at the
Library theatre under the aus-
pices of the American Legion.

Work has been moving along in
a very satisfactory manner on the
new Grace M. E. church building
and last week more than 50 men
were employed on the structure.

The forty-seventh annual session
of the Erie Conference of the Ev-
angelical Association will be held
in the Salem Evangelical church
here next week. Rev. A. G. Dorn-
heim is the pastor.

Teams in the Y. W. C. A. finance
campaign reported a total of \$2-
576 last night to bring the grand
total at the half-way mark of the
drive to \$3,851.

It was reported today that there
is a bad mud-hole in the Warren-
Sheffield road in the vicinity of
Weldbank. Three cars had to be
hailed out yesterday and one this
morning.

Leo Blair went west on a busi-
ness mission today.

Children from 16 churches in
the Creek Baptist Association are
here today attending a rally of
the Children's World Crusade,
being held at the First Baptist
church. Miss Mary L. Noble, of
Buffalo is the principal speaker.

Game Protector John Hopkins,
of the Kalbfus Preserve, has turned
over to representatives of the
Shrine Hospital at Erie, eight
pounds of tin foil which he states
he gathered while exploring the
woods since the deer season.

Everett Borg, son of Mr. and
Mrs. G. M. Borg, Canton street,
left last evening for East Orange,
N. J., where he will join the Up-
sala College Glee Club and accom-
pany it on the annual spring tour
of the New England states.

O. C. Tritt, of the Warren
County Agricultural Extension As-
sociation, is busily engaged in or-
ganizing boys and girls of the rural
districts into clubs that will
specialize in various branches of
the farming industry.

Miss Annette Stone will play the
feminine lead in the production
of "You and I" by Philip Barry,
to be presented by the Warren
Players at the Woman's Club Au-
ditorium on Friday, April 29.

opening.

Her fist curled deep in the pockets of her warm coat. "They wouldn't dare!"

She felt rather than saw him shrug. "But they are daring!"

"Come on. Let's walk the rest of the way to the house. We can watch the Bay better from our porch." Stephanie suggested and started off without waiting for his answer.

For a while as she stoddle leaned against a porch pillar looking out over the so-familiar scene that darkness was gradually covering with its pall. Stephanie forgot about Henri. And suddenly, tears were streaming down her cheeks. She was angry tears of furious defiance.

"What can they do to us?" she heard her own voice blurt, angrily.

"Not much," Henri soothed calmly. "This coast is well-fortified."

Henri's I'm going to tell them."

Again, Henri tried to detain her. "One of the servants will discover it in a moment."

Stephanie faced him. "What's the matter with you? Don't you want that light off?"

"Certainly, if it matters that much to you." Henri smiled disarmingly. "Only I think you are making a great deal of trouble over an insignificance."

"Maybe! And again, maybe one of those Jap servants over there didn't leave that light on by mistake!"

Henri chuckled. "Stephanie darling, you've been seeing too many movies. Those things don't happen in these United States!"

But Stephanie didn't stop longer to argue. She raced down the drive, ducked through the hedge, across the darkened garden.

sented its petition to said Court on April 8, 1942, setting forth that said Testator died February 13, 1940, leaving a Last Will and Testament, and that Letters Testam-

entary under said Will were duly

issued to said Union Trust Com-

pany by the Register of Wills of

said Warren County on March 7,

1940; that said executor had filed

its First and Final account which

was confirmed absolutely on April 1, 1942, and showing a balance for

distribution, and praying said

Court to fix a time for hearing,

direct notice to be given and or-

der distribution of the balance for

distribution; whereupon said Court

fixed 10 o'clock, A. M., April 30,

1942 as the time for the hearing in

said matter, and that all persons

interested may appear before said

Court at said time and be heard.

Sidney D. Blackman,

Attorney for Executor.

MADE A MISTAKE

Francisca introduced the potato to Spain and was thrown into jail because King Charles I didn't like the "new fruit." Later it was found that the Spanish king had tried to eat the potatoes raw.

Warren Relief Has Long Record Of Service Here

Originally established to provide food, shelter and medical care for victims of the devastating flood of 1888, the Warren Relief Association, which is one of the seven member agencies in the Warren Community Chest, has a long record of splendid service to the poor and unfortunate residents of this community.

The group of women who have worked tirelessly during that flood emergency recognized the need for continuing their organization on a permanent basis. During the 59 years that have followed, the Warren Relief Association, with the generous support of Warren people, has brought vital help to thousands of destitute families.

Hundreds of children have become normal, healthy adults because of the work of the association discovered and supplied their need for nourishing food and warm clothing. Countless others of all ages have benefitted when

friendly Relief aid has saved them from hunger and distress.

Today the Association is carrying on its fine tradition of welfare work more efficiently than ever. From its headquarters on Liberty street, used clothing, shoes and miscellaneous supplies are dispensed, while in each ward of the borough two experienced directors are always alert to investigate needy cases.

Oldest in point of service among these volunteer workers is Mrs. Henry B. Taylor. For more than 40 years her interest, experience and understanding have been an inspiration both to her fellow workers and those whom she serves.

The entire membership of the Warren Relief Association is now looking forward to another year of service to our needy families, with grateful appreciation of the Community Chest contributions which provide the necessary financial support.

McKenney On Bridge

EXPERT IS NOTED FOR KEEN DEFENSE

BY WILLIAM E. MCKENNEY America's Card Authority

The Eastern States Tournament, recently held in New York, produced an unusually fine crop of brilliant hands. Today's hand was played in the final event, the mixed pairs, which was won by Mrs. A. M. Sobel and Edward Hynes, Jr., of New York. Mrs. Sobel, who is my choice for the No. 1 player of 1941, here shows extraordinarily keen defense.

Sitting West, Mrs. Sobel opened the deuce of diamonds, since it seemed safest to open through dummy's second suit. The trick was won by the jack. South cashed the ace of spades, then led the three of diamonds.

Mrs. Sobel stepped up with the ace and now bent her efforts to keep dummy from gaining the lead. She led the king of clubs, which South won. South led the four of hearts and Mrs. Sobel took her king. A heart exit put South in to cash his suit, on which dummy discarded some spades and diamonds saving the club eight.

With four clubs left in the South and West hands, South led the

Attacks on Panay Are Increasing

(From Page One)
The navy announced last night that two of Bulkeley's flotilla of motor torpedo boats made a night attack on a Japanese light cruiser protected by four destroyers. In the face of strong fire from the overwhelming Japanese force the tiny American boats seriously damaged the light cruiser and left it sinking.

The attack was made "during recent operations near the island of Cebu," said the navy communiqué, which offset somewhat the army's disclosure that nearly 3,000 National Guardsmen from nine states were among the 37,000 or so American and Filipino defenders who were killed, wounded or taken prisoner on Bataan. Only 107 guardsmen were evacuated to Corregidor when Bataan fell.

The navy also announced that the PT-35, which was at Cebu, was believed to have been destroyed to prevent capture by the Japanese. Whether Bulkeley has any boats remaining in addition to the PT-41 was not disclosed.

The army said that National Guard units fighting on Bataan on April 9 included the 200th Coast Artillery, composed entirely of New Mexico troops the 192nd Tank Battalion, made up of men from Wisconsin, Illinois, Ohio and Kentucky, and the 194th Tank Battalion, from Minnesota, Missouri, California and Washington state.

Air Base of Tokyo Raiders Undetermined

(From Page One)
It is believed here that Free China bases nearest Tokyo probably are at Lishui in southeast Chekiang province, some 1,300 miles from the Japanese capital. The Japanese air force has raided Lishui heavily several times recently.

The Berlin radio in a report by DNE from Tokyo quoted Lieut. Col. Kunio Akiyama, Japanese military spokesman, as declaring Saturday's air raids caused very little damage.

German-Held Lands Suffer Lack of Food

(From Page One)
Agricultural production in Denmark, which in 1941 was less than half of normal, was said to be seriously threatened this year by the late spring, shortages of fertilizers, seed and labor.

The department said Germany hoped to secure the production of sufficient food in occupied Ukrainian Russia to meet the needs of Nazi occupation forces and for the bare maintenance of the local population.

The United States Military Academy at West Point was opened July 4, 1802, with ten cadets. West Point has been a military post since Jan. 20, 1778.

Report Says Four Planes Are Downed

(From Page One)
ward Mandalay were reported to be throwing tanks and guns into a furious assault against Lieut.-Gen. Joseph W. Stilwell's Chinese forces.

In the Philippines, a U. S. navy communiqué reported that two of Lieut. John D. Bulkeley's sharp-shooting mosquito boats, hiding in secret, jungle-screened bases among the 7,000 islands of the Philippine archipelago, boldly attacked a Japanese cruiser protected by four destroyers in a recent night raid of Cebu island.

The communiqué said the tiny PT-41's darted in against strong Japanese fire and left the cruiser sinking.

The navy's report somewhat offset an army communiqué disclosing that nearly 3,000 National Guardsmen from nine states were among the 37,000 American-Filipino defenders killed, wounded or taken prisoner in the historic battle of Bataan.

Domel, the Japanese news agency, reported that 62,600 prisoners had been captured so far in the Philippine campaign, including 10,600 United States officers and men.

Evidence that Japan's millions still were jittery over the prospect of new American bombing raids came to light in a second and stronger warning by the Tokyo government against spreading rumors, which it said would be "henceforth a punishable offense."

Roundabout reports from Japan declared several of the American raiders attempting to reach bases in Free China had been forced to make emergency landings in Japanese-occupied China and had been captured.

Five Gallons of Gas A Week Rationing Plan

(From Page One)
motorist would be purchasable on presentation of some type of ration card, but the ration books to be issued under the sugar distribution plan would not be used, it was understood.

A reduction of one-third in deliveries of gasoline to service stations was ordered only last week because of increasing shortage of tankers.

Affected by the rationing plan will be the 17 eastern seaboard states and the District of Columbia now included in the gasoline "curtailment area" extending from Maine to Florida.

Axis Patents To Be Used to Help Win War

(From Page One)
The first consideration, he declared, was to win.

And when the war is over, he went on, the patents will not be permitted to revert to alien hands, as they did after the first world war.

Leo Crowley, alien property custodian, disclosed that the president's orders already were being carried out that researchers even now were studying once-forbidden processes for making artificial rubber, fuels, foods and fabrics as well as all kinds of drugs, biologicals, electrical equipment and diesel engines.

Nearly one-third of New York State's foreign-born white population are German and Italian immigrants.
